

CARITAS HOUSE

ASSISTED LIVING

CATHOLIC CHARITIES IN ACTION

SUMMARY

Caritas House is a 60 unit assisted living facility in Southwest Baltimore, next to St. Agnes Hospital.

In FY24, Caritas House focused on clinical and financial compliance, along with facility improvements. For example, Caritas House has had a full update of the security system, which now allows residents and families the autonomy to enter and exit the building independently. The floor in the dining room has been replaced and updated seating is in the works. We are also moving toward a full restaurant experience for our residents. The entry way of the building has received a face lift with new windows and updated walkways for safety. Overall, our facility and service improvements in FY24 have provided a better experience for residents.
