

## MY SISTER'S PLACE WOMEN'S CENTER

CATHOLIC CHARITIES IN ACTION

### SUMMARY

My Sister's Place Women's Center is a comprehensive day resource center for women and children experiencing homelessness in Baltimore City.

In FY24, My Sister's Place Women's Center focused on enhancing and building supports for clients in a multifaceted and collaborative way. This included developing key partnerships with housing providers, medical providers, earned benefits providers and key social service programs. Our hope was to continue to mold the center as a one stop shop for women whose behavioral and physical health often preclude them from going to various appointments to get what they need. On a daily basis, we aid many in need, including those who are sleeping outside the Center each night. In FY24, this continued, with an increased focus on housing, case management, employment and much more.
