

SARAH'S HOUSE

CATHOLIC CHARITIES IN ACTION

SUMMARY

Sarah's House is a supportive housing program offering emergency shelter and project-based supportive housing with an array of other services for individuals and families experiencing homelessness in Anne Arundel County. FY 24 brought multiple successes at Sarah's House. Outside of the numbers served and our most impactful outcome of transitioning 73% of those in our shelter to permanent housing opportunities, we were also able to successfully implement an activities program for children, families and single adults at Sarah's House. Sarah's House staff were also able to help parents secure 18 childcare scholarships for children in our program. During the last fiscal year, Sarah's House supported 56 people in gaining employment. Increasing their income through employment helped to reduce barriers to self-sufficiency and lessened the time that they and their families experienced difficulty.
