

CATHOLIC CHARITIES SENIOR COMMUNITIES

SUMMARY

Catholic Charities owns and operates 24 supportive, affordable apartment communities in Baltimore City, Baltimore, Anne Arundel, Garrett and Harford Counties, including nearly 1,800 units of efficiency, one-bedroom and two-bedroom apartments.

FY24 brought much success to Senior Communities. We maintained a 95% occupancy, serving 1,861 residents and 174 Caring Home Services participants. In our bi-annual Resident Satisfaction Survey, 97% of residents who responded said they were satisfied living in our communities and 91% said they would recommend Catholic Charities Senior Communities to a friend or family member.

Our team assisted 1,650 residents in obtaining 30,200 services which resulted in a cost savings to residents of \$273,000. Supportive services funding was secured, providing residents with a variety of programs and services, including transportation. The implementation of the Baltimore County ARPA Grant to prevent resident isolation across our 12 Baltimore County communities was also successful.
