Vierra Communities Acquires St. Elizabeth Rehabilitation & Nursing in Baltimore

Baltimore, MD – December 2, 2024

Vierra Communities, a family-owned skilled nursing owner and operator, proudly announces its expansion with the addition of St. Elizabeth Rehabilitation & Nursing in Baltimore, MD. Vierra has been operating in Maryland for nearly 60 years and welcomes St. Elizabeth into its family with a commitment to fostering a nurturing, home-like environment.

Vierra will commence a multimillion-dollar renovation and programming expansion to ensure residents receive unparalleled support and comfort. This milestone marks Vierra's dedication to enhancing lives through personalized care and clinical sophistication.

"Our approach at Vierra Communities is rooted in creating communities where residents thrive," stated Derek Vucich, President of Vierra Communities. "St. Elizabeth has a reputation for delivering exceptional care and compassion to the Baltimore community so this is the perfect fit for us."

Previously operated by Catholic Charities of Baltimore, St. Elizabeth has provided care in the area for nearly 100 years. The facility is located on the Jenkins Campus of southwest Baltimore, which is also home to other Catholic Charities residential and healthcare programs for seniors. Catholic Charities sought out a specific type of partner for this opportunity.

"Our residents and our outstanding St. Elizabeth colleagues deserve the support that will come with a partner that shares our values and commitment to quality, who is singularly focused on rehabilitation and long-term care," said Bill McCarthy, executive director of Catholic Charities. "That is why we are pleased to welcome Vierra Communities, a family-owned, local company for three generations."

Vierra Communities distinguishes itself with innovative rehabilitation programs and a commitment to Clinical Excellence & Timeless Charm for a Premier Rehab Experience. This acquisition underscores Vierra's mission to redefine senior care with warmth, engagement, and unwavering dedication.
