

CHRISTOPHER PLACE EMPLOYMENT ACADEMY

CATHOLIC CHARITIES IN ACTION

SUMMARY

Christopher Place Employment Academy is a residential employment academy that invites men to engage in a process of change from homelessness to permanent stable living, preparing to obtain full-time employment, and living a drug-free life.

In FY24, Christopher Place Employment Academy continued to provide a unique supportive program model to men in the community. Many participants have taken advantage of various job training programs and started new career paths in peer recovery support, construction and truck driving. In FY24, Christopher Place grew its post-covid enrollment numbers and expanded its community partnerships, aimed at providing employment and housing to those transitioning back into the community.
