

GALLAGHER SERVICES

CATHOLIC CHARITIES IN ACTION

SUMMARY

Gallagher Services provides community living and meaningful day supports to adults with intellectual and developmental disabilities.

We were honored to present the Gallagher Services FY 2025 Strategic Plan and our leadership transition at the MACS Conference and participate in a Transition Cohort of providers.

In collaboration with People On The Go, we developed a training program for people receiving services, focused on Rights & Responsibilities, Abuse, Neglect, & Exploitation, led by Self-advocates. Gallagher also partnered with Johns Hopkins University's SOURCE Project to support people in understanding their diagnoses and adopting healthy lifestyles, culminating in a Health Fair, led by people supported. 20 Front Line Supervisors successfully completed the NADSP Frontline Supervisor Training Program, further strengthening Gallagher's leadership and service delivery capacity. These opportunities reflect Gallagher's commitment to evolving in alignment with person-driven services.
