

MY SISTER'S PLACE WOMEN'S CENTER

CATHOLIC CHARITIES IN ACTION

SUMMARY

In FY25, My Sister's Place Women's Center renewed its focus on supporting chronically unhoused and vulnerable women who rely on our services daily. Our targeted intervention strategy has included close collaboration with community partners and service providers with the expertise and resources to help women identify safe and stable housing options. For women who are not ready to access shelter or housing, My Sister's Place Women's Center provides a safe, welcoming environment and a wide array of supportive services for women and children seeking respite from homelessness.

Notably, our partnerships with the Mayor's Office of Homeless Services and Health Care for the Homeless have been instrumental in this effort. Together, we've been able to provide critical medical support and present viable housing opportunities to women ready to transition into permanent housing. As a result of this focused effort, 14 women received housing offers with move-in dates scheduled for July and August 2025—a significant milestone in our ongoing mission to end homelessness for the women we serve.
