

VILLA MARIA BEHAVIORAL HEALTH

CATHOLIC CHARITIES IN ACTION

SUMMARY

This year, Villa Maria Behavioral Health continued the growth of our Parent Child Interaction Therapy program. The program has served over 50 new families this year, showing significant impact on child behavior and parent child relationships. Our Frederick County, Baltimore County and Anne Arundel County clinics have received grant funding through Maryland Consortium for Community Supports to provide Family Care Coordination for students who are chronically absent from school. In this first year we served over 220 families with positive outcomes that included increased school attendance and improved access to somatic and behavioral healthcare, and other family resources.

VMBH has worked collaboratively with Esperanza Center at the Building Hope Dundalk Support Center to serve bilingual neighbors in need, following the Key Bridge collapse. We are serving vulnerable Marylanders who otherwise would not receive behavioral health treatment. Lastly, our peer recovery services continue to save lives every day. We provide street outreach to individuals, an effective model of care not offered by most other agencies.

KEY OUTCOMES

Number of adults and children who received behavioral health services

6,530

Number of clients who received treatment for a substance use disorder

1,148

Score received on Satisfaction Surveys

4.12/5

Percentage of clients enrolled in outpatient who are also enrolled in psychiatry services

36.57%

SERVICES PROVIDED

- Co-occurring mental health and substance use treatment
- PRP
- Afterschool program
- Respite
- Peer Recovery Coaching
- Peer Training program
- Continue education trainings
- Support to Safe Streets for violence interrupters

KEY GOVERNMENT FUNDERS

- Medicaid
- Medicare
- State Funds – Department of Social Services (DSS), Local Addictions Authority (LAA), Local Management Board (LMB – all counties), Department of Health, Behavioral Health Administration (BHA)
- Federal Funds: American Rescue Plan Act (ARPA), Department of Homeland Security (DHS)
- Maryland Community Health Resources Commission (CHRC)
- Baltimore City Mayor's Office of Employment Development (MOED)
- Baltimore City Public Schools
- Behavioral Health Systems of Baltimore (BHSB)
- Mayor's Office of Neighborhood Safety and Engagement (MONSE)
- Head Start
- Department of Human Services—MORA
- Baltimore Community Foundation
- United Way
- Employee Advancement Right Now (EARN)
- Project Reach

In addition to the grant support from key government funders, we extend our deepest gratitude to the individuals, corporations, community partners, and foundations that support our work. Their generosity provides life-changing opportunities for families and individuals in need.

PROGRAM NEEDS

Each of our programs has specific in-kind donation needs, from school supplies to food and more. Villa Maria Behavioral Health specifically and consistently needs the following items:

- Holiday items, gift cards, therapy activities, toys and games
- Hygiene kits including wound care items
- Lyft/Uber vouchers since transportation is a barrier to care
- Back-to-school items

If you would like to support VMBH or any of our programs with additional in-kind donations, please visit cc-md.org/ways-to-give/in-kind-donations-guide/.
