

FY26 PROGRAM REPORT

SUMMARY

Over the past year, we have celebrated two “365 No Homicides” celebrations, recognizing over a year without a single homicide in both our Sandtown and Penn North sites. Across all sites, including Sandtown, Penn North, Cherry Hill and Brooklyn, we are continuing to make connections to resources, such as employment, housing, and behavioral health treatment.

For three straight years, our Villa Maria Behavioral Health team that supports our Safe Streets team members has been selected to present at the annual Giffords Community Violence Intervention Conference in Los Angeles, highlighting the importance of this critical work to better support our teams.

The city-wide team also held its first boxing demonstration, with more to come, highlighting the partnership with boxing gyms across Baltimore, providing opportunities for youth to learn athletic skills and discipline.
